

EDUCATION

Diploma, Computer Science & Engineering

Matsyodari Shikshan Sanstha's Institute Of Polytechnic
,Jalna (MSS)

2021 - 2024

PROJECTS

Telegram & Discord bots

Jun 2023 - Dec 2023

<https://github.com/radhe098/stockbot>

I have learnt to make telegram bots.
made basic bots using telegram API, then made chat-bot
by integrating openAI API and Telegram API.
Then moved to discord API
made stock price extractor bot.
have to grind more in bot development :)

Quiz Application with editor

Oct 2023 - Nov 2023

<https://quiz-app-three-umber.vercel.app/>

A quiz application using HTML, CSS, JavaScript. Not a
common quiz app here user can give quizzes and also
edit.

code : <https://github.com/radhe098/QuizApp.js>
